
Join Us at the Healthcare HR Summit 2024: Elevating Healthcare Workforce Management

The Healthcare HR Summit, an invitation-only premium event, is set to take place on October 21-22, 2024, at the prestigious Encore Boston Harbor. This exclusive gathering will unite leading healthcare HR executives and innovative solution providers to address the most pressing challenges in the healthcare HR industry.

The summit will feature a dynamic program designed to align with the evolving needs of healthcare HR professionals. Attendees can expect in-depth discussions on key topics such as:

- Workforce Resilience and Optimization: Strategies to overcome staffing challenges.
- Employee Wellbeing and Diversity: Cultivating an inclusive healthcare environment.
- Technology and Innovation in Healthcare HR: Leveraging data and cutting-edge solutions.
- Leadership Development and Succession Planning: Ensuring continuity in healthcare leadership.
- Remote Work Adaptation: Balancing flexibility with operational excellence.
- Strategic HR Management in Healthcare: Elevating HR to drive organizational success.

The Healthcare HR Summit offers a unique platform for senior-level HR executives from America's largest hospitals and healthcare systems to evaluate and partner with relevant solution providers. This collaborative approach ensures that healthcare facilities can connect with the right strategic partners to enhance their HR capabilities.

Esteemed Speakers and Interactive Sessions

Attendees will gain insights from visionary keynote speakers and participate in real-life case studies and interactive forums. Notable speakers include:

- Jonathan Hirokawa, MBA, SHRM-CP, Director Human Resources and People Strategy, **Children's Hospital Colorado**
- Mario Ellis, Chief Human Resource Officer, **Beacon Health System**
- Kelly Soldano, Senior Vice President, Network HR Operations, **WMCHHealth**

Networking Opportunities

The summit promises unparalleled networking opportunities, allowing participants to exchange ideas and build meaningful connections within the healthcare HR community.
