More than 70 companies responded to the call for participation in the next IHE European connectathon to be held in Barcelona next April. During this connectathon IHE Europe will test the interoperability of the more than 100 systems registered and rehearse the IHE demonstrations planned for the six following European events:

' Hopital Expo, Paris, France, May, 16 - 19 2006, www.hopitalexpo-intermedica.com;

' SIRM42 Convegno Nazionale SIRM, Milano, Italy 23 - 27 June 2006, www.sirm.org;
